Hodo Yuba Noodles are a delectable meal of hand-cut tofu strips. Yuba is a delicacy. Also known as “bean curd sheet,” yuba is the thin veil that forms on the surface as the cream rises in heated soymilk. At Hodo, we hand harvest the yuba, one sheet at a time. Yuba has a creamy, nutty and subtly complex flavor, with a firm bite. Hodo yuba is protein-rich and has zero cholesterol. To make our delicious seasoned yuba dishes, Hodo Yuba Noodles, we first marinate our yuba, and then sear to bring out its amazing natural flavors. We then hand cut the yuba into ribbons and glaze them with our signature house-made dressings. Reminiscent of the toothsome texture of fresh pasta, the Yuba Noodles come in two exciting Asian-inspired flavors. All Hodo Yuba Noodles are certified organic and are gluten-free. Hodo Yuba Strips are great eaten cold or hot. Enjoy the strips straight, on a salad, as a sandwich filling or as a stir-fry or pasta ingredient. Available in food service and retail packs.

### Flavors:

- **Hodo Spicy Yuba Noodles** are tossed with our spicy teriyaki sauce, which packs a kick and lots of umami.
- **Hodo Sesame Noodles** are glazed with a savory, creamy and luscious tahini dressing, which is delightfully rich with fruity and nutty undertones.
